

### WHOLE HOUSE FILTRATION

#### FILTER

WHOLE HOUSE- remove and reduce Sediment, Chlorine, Chloramine, Ammonia, Chemicals, Disinfectant Byproducts, Trace Pharmaceuticals, Improve taste & odor

#### TREAT

WHOLE HOUSE- prevent limescale damage to fixtures (faucets/shower heads). appliances (dishwasher/washing machine), water heaters (tank & tankless)

#### SUPERB WHOLE HOUSE FILTRATION !

Activated carbon block cartridges help reduce SEDIMENT, while providing greater reduction performance capacities for CHLORINE & CHLORAMINE, than granular carbon. NaturalSof BB significantly reduces carbon fines, normally found in granular canisters and is MOST effective at removing ORGANIC contaminants and trace PHARMACEUTICALS from your water – the primary reasons for bad TASTE, ODOR, and COLOR problems. Our carbon filtration also removes harmful DISINFECTION BY-PRODUCTS from your municipal water.
